THEIR HEALTH & WELL-BEING

Improving the nation's health and well-being is a priority for the Y. At the Y, we offer resources and guidance for adults and children to maintain and improve health and wellness. We incorporate fun games from the CATCH Kids Club curriculum daily into our School Age Child Care programs, to ensure that our kids are learning the importance of a healthy lifestyle.

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development. Through our School Age Child Care Programs, children cultivate the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Our staff plan daily activities to give our children the opportunity to become confident kids today and happier and healthier grown-ups tomorrow. Activities include:

- Arts and crafts
- Homework assistance
- Sports and games
- Special events
- Themed days
- Community Service Projects
